SEISMIC PERMIT

Uintah MOSQUITO ABATEMENT DISTRICT

Project: Roosevelt 3D Ph 1C

1425 E 1000 S

Permit No.: RV5467C

VERNAL UT 84078

This seismic permit ("Permit") is entered into between TGS-NOPEC Geophysical Company ("TGS") and ("Grantor"), who shall be referred to collectively herein as the "Parties." This Permit is requested by Cougar Land Services, LLC on behalf of TGS Nopec Geophysical Company (TGS) [hereafter called "Agent"] on behalf of TGS.

Grantor, in exchange for the consideration described below, grants TGS and/or its contractors, and their respective successors and assigns, permission to conduct a 3-D geophysical seismic survey on the below-described property ("Land") in which Grantor has an interest in the surface, minerals, and/or oil and gas leasehold in Uintah County, Utah (the "Seismic Operations").

Description

Acres

RV021601 PID R140200036 Section 19 Township 2S Range 1E Uintah County [1.15 ACRES]

1.1499999999999999

- 1 The intention of this Permit is to cover all surface and mineral interests owned by Grantor within the boundary of this survey, including such lands, rights, and interests that may not be known at the time this Permit is executed. If any additional acreage is discovered later, TGS will add it to this Permit and compensate Grantor at the same rate of payment agreed to in this Permit for the additional surface acreage.
- 2 In consideration for granting this Permit, TGS shall pay Grantor in the following manner: Total Acres 1.1499999999999999 Fee per Acre: [10.00] Total Payment \$25 as compensation for the usual and customary damages to property associated with seismic operations; provided, however, that (i) nothing in this Permit shall be construed to obligate TGS to conduct any Seismic Operations on the above-described Land and (ii) if Seismic Operations are not conducted on portions of the above-described Land, TGS shall not be obligated to pay Grantor for the excluded acreage; rather, the Total Payment due will be based on the total number of acres actually owned by Grantor and utilized by TGS or its contractors within the final seismic survey area. As a condition of payment, Grantor agrees to provide TGS with a completed copy of Exhibit B.
- 3 TGS SHALL NOT BE LIABLE TO GRANTOR FOR (I) ANY DAMAGE TO THE LAND OR OTHER PROPERTY CAUSED BY THE SOLE NEGLIGENCE OF THE GRANTOR, (II) ANY UNUSUAL OR EXTRAORDINARY DAMAGES TO THE LAND OR OTHER PROPERTY, (III) DAMAGES TO THE LAND OR OTHER PROPERTY THAT ARE NOT REASONABLY DOCUMENTED AND OBJECTIVELY VERIFIABLE, OR (IV) OTHER DAMAGES TO THE LAND OR OTHER PROPERTY THAT ARE NOT REASONABLY FORESEEABLE TO TGS OR ITS CONTRACTORS IN CONNECTION WITH THE SEISMIC OPERATIONS. AS FURTHER CONSIDERATION FOR THIS PERMIT, TGS AGREES TO INDEMNIFY AND HOLD GRANTOR HARMLESS AGAINST ALL ACTIONS, SUITS, CLAIMS, AND DEMANDS MADE BY ANY THIRD PARTY THAT MAY ARISE AS A DIRECT RESULT OF THE SEISMIC OPERATIONS, PROVIDED THAT THE DAMAGES CLAIMED BY SUCH THIRD-PARTY ARE USUAL AND CUSTOMARY IN NATURE, REASONABLY DOCUMENTED, AND OBJECTIVELY VERIFIABLE.
- 4 TGS and/or its contractors agree to exercise reasonable diligence to conduct the Seismic Operations in accordance with good domestic U.S. onshore seismic industry practices. The Seismic Operations may consist of any or all of the following activities: mapping, surveying, creating accessible survey paths, placing identifying survey flags, stakes and ribbons, distributing and maintaining recording equipment (via helicopter, UTV or trucks), shot hole drilling and vibroseis acquisition, and such other activities as are reasonable or necessary to conduct the Seismic Operations.
- 5 Grantor hereby declares that it has the legal authority to sign this Permit and to receive the payment and damage settlements, if any, with respect to the above described Land. This Permit, and the attached and incorporated Exhibit A and Exhibit B, constitute the entire agreement and will survive any lease, sale, trade, or conveyance of property interests in the Land described above and made after the date the Permit has been signed by the Grantor (the "Effective Date"), and will be binding on all heirs, successors or assigns of Grantor and TGS. This Permit is fully transferable by TGS to its successors, contractors, and assigns. Grantor agrees to notify TGS in a reasonably prompt manner if there is any change of ownership in the Land or if another party has ownership of the above described Land.
- 6 Additional terms and provisions are attached hereto as Exhibit B and made a part hereof.

If you have any questions, please contact us at the numbers provided above. If you are in agreement, please complete the information requested below, sign, and return the executed Permit with the enclosed IRS W-9 to TGS. Thank you very much for your cooperation on this matter.
